3. MATERIAL CONNECTED TRANSACTIONS

(1) CONNECTED TRANSACTIONS

Disposals of E-surfing Pay and China Telecom Leasing

The Company has entered into agreements with China Telecommunications on 26 March 2021, pursuant to which the Company has agreed to sell, and China Telecommunications has agreed to purchase all the share capital in E-surfing Pay with an investment amount of RMB500,000,000 held by the Company for a consideration in the amount of RMB3,897 million (equivalent to approximately HK\$4,695 million).

The Company and its wholly owned subsidiary, China Telecom Global Limited ("China Telecom Global"), have entered into agreements with China Telecommunications and its subsidiary, Guang Hua Properties Limited ("Guang Hua Properties"), on 26 March 2021, pursuant to which, the Company and China Telecom Global have respectively agreed to sell, and China Telecommunications and Guang Hua Properties have agreed to purchase, 75% of the share capital in China Telecom Leasing from the Company and 25% of the share capital in China Telecom Leasing from China Telecom Global for a consideration in the amount of RMB131 million (equivalent to approximately HK\$158 million) and RMB44 million (equivalent to approximately HK\$53 million), respectively.

Pursuant to Chapter 14A of the Listing Rules, as China Telecommunications is the Company's controlling shareholder, China Telecommunications is a connected person of the Company and the disposals under the equity transfer agreements entered into between the Company and China Telecommunications constitute connected transactions of the Company for the purpose of Chapter 14A of the Listing Rules. In addition, as Guang Hua Properties is a wholly-owned subsidiary of China Telecommunications and therefore a connected person of the Company, the disposal under the equity transfer agreement entered into between China Telecom Global and Guang Hua Properties constitutes a connected transaction of the Company for the purpose of Chapter 14A of the Listing Rules.

As the highest applicable percentage ratio of the disposals in aggregate is more than 0.1% but less than 5%, the Company is only subject to the reporting and announcement requirements, but is exempt from the independent shareholders' approval requirement under Chapter 14A of the Listing Rules.

The above disposals were completed in April 2021 in accordance with the terms of the agreements. The one-off after-tax gain from the disposals of E-surfing Pay and China Telecom Leasing was approximately RMB1.416 billion.

Continuing Connected Transactions entered into among the Group and China Telecommunications and/or its associates (excluding the Group)

On 20 August 2018, the Company and China Telecommunications entered into supplemental agreements and renewed the Engineering Framework Agreement, the Ancillary Telecommunications Services Framework Agreement, the Interconnection Settlement Agreement, the Community Services Framework Agreement, the Centralised Services Agreement, the Property Leasing Framework Agreement, the IT Services Framework Agreement, the Supplies Procurement Services Framework Agreement and the Internet Applications Channel Services Framework Agreement for a further term of 3 years expiring on 31 December 2021. China Telecommunications is the controlling shareholder of the Company. Accordingly, pursuant to Chapter 14A of the Listing Rules, China Telecommunications is a connected person of the Company and the transactions contemplated under each of the agreements constitute continuing connected transactions of the Company.

As certain applicable percentage ratios (excluding the profits ratio) of the renewed annual caps for the transactions contemplated under the Engineering Framework Agreement and the Ancillary Telecommunications Services Framework Agreement for each of the years ended 31 December 2019, 2020 and 2021 exceeds 5%, such continuing connected transactions are subject to the reporting, announcement, annual review and independent shareholders' approval requirements under Chapter 14A of the Listing Rules. The independent shareholders of the Company considered and approved the renewal of the Engineering Framework Agreement and the Ancillary Telecommunications Services Framework Agreement and the renewed annual caps applicable thereto at the extraordinary general meeting of the Company held on 26 October 2018. As each of the applicable percentage ratios (excluding the profits ratio) of the renewed annual

caps for the transactions contemplated under other continuing connected transactions agreements for each of the years ended 31 December 2019, 2020 and 2021 exceeds 0.1% but is less than 5%, such continuing connected transactions are only subject to the reporting, announcement and annual review requirements and are exempt from the independent shareholders' approval requirement under Chapter 14A of the Listing Rules. Details of the respective agreements are shown below:

Centralised Services Agreement

Pursuant to the centralised services agreement signed between the Company and China Telecommunications on 10 September 2002 and the related supplemental agreements subsequently entered into between the two parties (collectively, the "Centralised Services Agreement"), centralised services include centralised business management and operational services provided by the Group to China Telecommunications in relation to key corporate customers, its network management centre and business support centre. Centralised services also include the provision of certain premises by China Telecommunications to the Group and the common use of international telecommunications facilities by both parties. The aggregate costs incurred by the Group and China Telecommunications for the provision of management and operational services will be apportioned between the Group and China Telecommunications on a pro rata basis according to the revenues generated by each party. Where the Group uses the premises provided by China Telecommunications, the Group will pay premises usage fees to China Telecommunications on a pro rata basis according to the apportioned actual area allocated to the Group. The premises usage fees shall be determined through negotiation between the two parties based on comparable market rates. When both parties use international telecommunications facilities provided by third parties and accept services by such third parties (for example, restoration maintenance costs, the annual utilisation fee and related service costs) and when both parties use the international telecommunications facilities

of China Telecommunications, the associated costs shall be shared on a pro rata basis according to volume of the inbound and outbound voice calls to and from international regions, Hong Kong, Macau and Taiwan originating from each party divided by the proportion of the aggregate volume of the inbound and outbound voice calls to and from international regions, Hong Kong, Macau and Taiwan originating from both parties. When the two parties use international telecommunications facilities provided by a third party and accept services from third parties, the restoration maintenance fees shall be determined according to the actual utilisation fee each year. The utilisation fee associated with the shared use of the international telecommunications facilities provided by China Telecommunications shall be determined through negotiation between the two parties based on market rates. Market rates shall mean the rates at which the same or similar type of products or services are provided by independent third parties in the ordinary course of business and under normal commercial terms. When determining whether the transaction price for any transaction under the agreement represents market rates, to the extent practicable, management of the Company shall take into account the rates of at least two similar and comparable transactions entered into with or carried out by independent third parties in the ordinary course of business in the corresponding period for reference.

The Company and China Telecommunications have entered into a supplemental agreement on 20 August 2018 and renewed the Centralised Services Agreement in accordance with its provisions for a further term of 3 years expiring on 31 December 2021. No later than 30 days prior to the expiry of the Centralised Services Agreement, the Company is entitled to serve a written notice to China Telecommunications to renew the Centralised Services Agreement, and the parties shall consult and decide on matters relating to such renewal.

Interconnection Settlement Agreement

Pursuant to the interconnection settlement agreement signed between the Company and China Telecommunications on 10 September 2002 and the related supplemental agreements subsequently entered into between the two parties (collectively, the “Interconnection Settlement Agreement”), the telephone operator connecting a telephone call made to its local access network shall be entitled to receive from the operator from which the telephone call originated a fee prescribed by the Ministry of Industry and Information Technology of the PRC (the “Ministry of Industry and Information Technology”) from time to time. Interconnection charges are currently RMB0.06 per minute for local calls originated from the Group to China Telecommunications. The interconnection settlement charges will be calculated according to the “Notice Concerning the Issue of the Measures on Interconnection Settlement between Public Telecommunications Networks and Sharing of Relaying Fees (Xin Bu Dian [2003] No. 454)” promulgated by the Ministry of Information Industry. The Ministry of Industry and Information Technology may, from time to time, take into account the relevant regulatory rules and market conditions, amend or promulgate new rules or regulations in respect of interconnection settlement which will be announced on its official website at www.miit.gov.cn. If the Ministry of Industry and Information Technology amends the existing, or promulgates new rules or regulations in respect of interconnection settlement, the parties shall apply such amended or new rules and regulations as acknowledged by both parties. The settlement regions include Beijing Municipality, Tianjin Municipality, Hebei Province, Heilongjiang Province, Jilin Province, Liaoning Province, Shanxi Province, Henan Province, Shandong Province, Inner Mongolia Autonomous Region and Xizang Autonomous Region.

The Company and China Telecommunications have entered into a supplemental agreement on 20 August 2018 and renewed the Interconnection Settlement Agreement in accordance with its provisions for a further term of 3 years expiring on 31 December 2021. No later than 30 days prior to the expiry of the Interconnection Settlement Agreement, the Company is entitled to serve a written notice to China Telecommunications to renew the Interconnection Settlement Agreement, and the parties shall consult and decide on matters relating to such renewal.

Property Leasing Framework Agreement

Pursuant to the property leasing framework agreement signed between the Company and China Telecommunications on 30 August 2006 and the related supplemental agreement subsequently entered into between the two parties (collectively, the “Property Leasing Framework Agreement”), the Group and China Telecommunications and/or its associates can lease properties from the other party for use as business premises, offices, equipment storage facilities and sites for network equipment installation. The rental charges under the Property Leasing Framework Agreement shall be determined according to comparable market rates. Market rates shall mean the rental charges at which the same or similar type of properties or adjacent properties are leased by independent third parties in the ordinary course of business and on normal commercial terms. When determining whether the rental charges for any property under the agreement represents market rates, to the extent practicable, management of the Company shall take into account the rental charges of at least two similar and comparable transactions entered into with or carried out by independent third parties in the ordinary course of business in the corresponding period for reference. The rental charges are subject to review every 3 years.

The Company and China Telecommunications have entered into a supplemental agreement on 20 August 2018 and renewed the Property Leasing Framework Agreement in accordance with its provisions for a further term of 3 years expiring on 31 December 2021. No later than 30 days prior to the expiry of the Property Leasing Framework Agreement, the Company is entitled to serve a written notice to China Telecommunications to renew the Property Leasing Framework Agreement, and the parties shall consult and decide on matters relating to such renewal.

IT Services Framework Agreement

Pursuant to the IT services framework agreement signed between the Company and China Telecommunications on 30 August 2006 and the related supplemental agreements subsequently entered into between the two parties (collectively, the “IT Services Framework Agreement”), the Group and China Telecommunications and/or its associates can provide the other party with information technology services, including office automation and software testing. Each of the Group and China Telecommunications and/or its associates is entitled to participate in bidding for the right to provide information technology services to the other party in accordance with the IT Services Framework Agreement. The charges payable for such services shall be determined by reference to the market rates. Market rates shall mean the rates at which the same or similar type of products or services are provided by independent third parties in the ordinary course of business and on normal commercial terms. When determining whether the transaction price for any transaction under the agreement represents market rates, to the extent practicable, management of the Company shall take into account the rates of at least two similar and comparable transactions entered into with or carried out by independent third parties in the ordinary course of business in the corresponding period for reference.

In the circumstances where the relevant laws or regulations in the PRC specify that the prices and/or the fee standards for particular services to be provided pursuant to such agreement are to be determined by a tender process, the charges payable for such services shall be finally determined in accordance with the “Bidding Law of the PRC” and the “Regulations on the Implementation of the Bidding Law of the PRC” or the relevant tender procedures. The Group shall solicit at least three tenderers for the tender process. If the terms offered by the Group or China Telecommunications and/or its associates are no less favourable than those offered by an independent third party provider, the Group or China Telecommunications and/or its associates may award the tender to the other party.

The Company and China Telecommunications have entered into a supplemental agreement on 20 August 2018 and renewed the IT Services Framework Agreement in accordance with its provisions for a further term of 3 years expiring on 31 December 2021. No later than 30 days prior to the expiry of the IT Services Framework Agreement, the Company is entitled to serve a written notice to China Telecommunications to renew the IT Services Framework Agreement, and the parties shall consult and decide on matters relating to such renewal.

Community Services Framework Agreement

Pursuant to the community services framework agreement signed between the Company and China Telecommunications on 30 August 2006 and the related supplemental agreements subsequently entered into between the two parties (collectively, the “Community Services Framework Agreement”), China Telecommunications and/or its associates provide the Group with community services such as culture, education, property management, vehicle service,

health and medical care, hotel and conference service, community and sanitary service. The community services under the Community Services Framework Agreement are provided in accordance with the following pricing terms:

- (1) market prices, which shall mean the prices at which the same or similar type of products or services are provided by independent third parties in the ordinary course of business and on normal commercial terms. When determining whether the transaction price for any transaction under the agreement represents market prices, to the extent practicable, management of the Company shall take into account the prices of at least two similar and comparable transactions entered into with or carried out by independent third parties in the ordinary course of business over the corresponding period for reference;
- (2) where there is no or it is not possible to determine the market prices, the prices are to be agreed between the parties based on negotiated price. “Negotiated price” shall mean the reasonable costs incurred in providing the services plus the amount of the relevant taxes and reasonable profit margin. For this purpose, “reasonable profit margin” is to be fairly determined by negotiations between the parties in accordance with the internal policies of the Group. When determining the “reasonable profit margin” for any transaction under the agreement, to the extent practicable, management of the Company shall take into account the profit margin of at least two similar and comparable transactions entered into with independent third parties in the corresponding period or the relevant industry profit margin for reference.

The Company and China Telecommunications have entered into a supplemental agreement on 20 August 2018 and renewed the Community Services Framework Agreement in accordance with its provisions for a further term of 3 years expiring on 31 December 2021. No later than 30 days prior to the expiry of the Community Services Framework Agreement, the Company is entitled to serve a written notice to China Telecommunications to renew the Community Services Framework Agreement, and the parties shall consult and decide on matters relating to such renewal.

Supplies Procurement Services Framework Agreement

Pursuant to the supplies procurement services framework agreement signed between the Company and China Telecommunications on 30 August 2006 and the related supplemental agreements subsequently entered into between the two parties (collectively, the “Supplies Procurement Services Framework Agreement”), China Telecommunications and/or its associates and the Group can provide each other with supplies procurement services, including comprehensive procurement services, the sale of proprietary telecommunications equipment, resale of third-party equipment, management of tenders, verification of technical specifications, storage, transportation and installation services.

Where the procurement services are provided on an agency basis, the maximum commission for such procurement services shall be calculated at:

- (1) not more than 1% of the contract value for procurement of imported telecommunications supplies; or
- (2) not more than 3% of the contract value for the procurement of domestic telecommunications supplies and domestic non-telecommunications supplies.

The pricing basis of the services for supplies procurement other than on an agency basis under the Supplies Procurement Services Framework Agreement is the same as those set out in the Community Services Framework Agreement.

The Company and China Telecommunications have entered into a supplemental agreement on 20 August 2018 and renewed the Supplies Procurement Services Framework Agreement in accordance with its provisions for a further term of 3 years expiring on 31 December 2021. No later than 30 days prior to the expiry of the Supplies Procurement Services Framework Agreement, the Company is entitled to serve a written notice to China Telecommunications to renew the Supplies Procurement Services Framework Agreement, and the parties shall consult and decide on matters relating to such renewal.

Engineering Framework Agreement

Pursuant to the engineering framework agreement signed between the Company and China Telecommunications on 30 August 2006 and the related supplemental agreements subsequently entered into between the two parties (collectively, the “Engineering Framework Agreement”), China Telecommunications and/or its associates through bids provides to the Group services such as construction, design, equipment installation and testing and/or engineering project supervision services.

The charges payable for such engineering services shall be determined by reference to market rates. Market rates shall mean the rates at which the same or similar type of products or services are provided by independent third parties in the ordinary course of business and on normal commercial terms. When determining whether the transaction price for any transaction under the agreement represents market rates, to the extent practicable, management of the Company shall take into account the rates of at least two similar and comparable transactions entered into with or carried

out by independent third parties in the ordinary course of business in the corresponding period for reference. The charges payable for the design or supervision of engineering projects with a value of over RMB1 million or engineering construction projects with a value of over RMB4 million shall be determined by the tender award price, which is determined in accordance with the “Bidding Law of the PRC” and the “Regulations on the Implementation of the Bidding Law of the PRC” or the final confirmed price in the relevant tender process. The Group shall solicit at least three tenderers for the tender process. In the circumstances there are amended rules or regulations in respect of tender scope and scale of the engineering construction projects promulgated by PRC laws and regulations during the term of the agreement, both parties agreed to apply such amended rules and regulations and no amendment to the supplemental agreement is required.

The Group does not accord any priority to China Telecommunications and/or its associates to provide such services, and the tender may be awarded to an independent third party. However, if the terms of an offer from China Telecommunications and/or its associates are at least as favourable as those offered by other tenderers, the Group may award the tender to China Telecommunications and/or its associates.

The Company and China Telecommunications have entered into a supplemental agreement on 20 August 2018 and renewed the Engineering Framework Agreement on the same terms (except the pricing terms) for a further term of 3 years expiring on 31 December 2021. No later than 30 days prior to the expiry of the Engineering Framework Agreement, the Company is entitled to serve a written notice to China Telecommunications to renew the Engineering Framework Agreement, and the parties shall consult and decide on matters relating to such renewal.

Ancillary Telecommunications Services Framework Agreement

Pursuant to the ancillary telecommunications services framework agreement signed between the Company and China Telecommunications on 30 August 2006 and the related supplemental agreements subsequently entered into between the two parties (collectively, the “Ancillary Telecommunications Services Framework Agreement”), China Telecommunications and/or its associates provide the Group with certain repair and maintenance services, including repair of telecommunications equipment, maintenance of fire equipment and telephone booths, as well as other customer services. The pricing terms for such services are the same as those set out in the Community Services Framework Agreement.

The Company and China Telecommunications have entered into a supplemental agreement on 20 August 2018 and renewed the Ancillary Telecommunications Services Framework Agreement in accordance with its provisions for a further term of 3 years expiring on 31 December 2021. No later than 30 days prior to the expiry of the Ancillary Telecommunications Services Framework Agreement, the Company is entitled to serve a written notice to China Telecommunications to renew the Ancillary Telecommunications Services Framework Agreement, and the parties shall consult and decide on matters relating to such renewal.

Internet Applications Channel Services Framework Agreement

Pursuant to the Internet applications channel services framework agreement signed between the Company and China Telecommunications on 16 December 2013 and the related supplemental agreement subsequently entered into between the two parties (collectively, the “Internet Applications Channel Services Framework Agreement”), the Company provides Internet applications channel services to China Telecommunications and/or its associates. The channel services mainly include the provision of telecommunications channel and

applications support platform, provision of billing and deduction services, coordination of sales promotion and development of customers services, etc. The pricing terms for such services are the same as those set out in the Community Services Framework Agreement.

The Company and China Telecommunications have entered into a supplemental agreement on 20 August 2018 and renewed the Internet Applications Channel Services Framework Agreement in accordance with its provisions for a further term of 3 years expiring on 31 December 2021. No later than 30 days prior to the expiry of the Internet Applications Channel Services Framework Agreement, the Company is entitled to serve a written notice to China Telecommunications to renew the Internet Applications Channel Services Framework Agreement, and the parties shall consult and decide on matters relating to such renewal.

Continuing Connected Transactions entered into between China Telecom Finance and the Group, the Parent Group and the CCS Group respectively

On 1 February 2019, China Telecom Finance entered into the financial services framework agreement with each of the Company, China Telecommunications (together with its associates and its commonly held entity held with the Group, excluding the Group and the CCS Group, the “Parent Group”) and CCS (together with its subsidiaries, “CCS Group”). As CCS is a subsidiary of China Telecommunications, the Company’s controlling shareholder, pursuant to Chapter 14A of the Listing Rules, China Telecommunications and CCS and their associates are connected persons of the Company. As the Company holds 70% of the issued share capital of China Telecom Finance, China Telecom Finance is a subsidiary of the Company. Meanwhile, China Telecommunications and CCS each respectively holds 15% of the issued share capital of China Telecom Finance. Pursuant

to Chapter 14A of the Listing Rules, China Telecom Finance is a connected subsidiary of the Company and an associate of China Telecommunications and CCS, which is also a connected person of the Company. Accordingly, the transactions under the China Telecom Financial Services Framework Agreement entered into between the Company and China Telecom Finance, the China Telecommunications Corporation Financial Services Framework Agreement entered into between China Telecom Finance and China Telecommunications and the CCS Financial Services Framework Agreement entered into between China Telecom Finance and CCS constitute continuing connected transactions of the Company pursuant to Chapter 14A of the Listing Rules.

China Telecom Financial Services Framework Agreement entered into between the Company and China Telecom Finance

Pursuant to the financial services framework agreement entered into between the Company and China Telecom Finance on 1 February 2019 (“China Telecom Financial Services Framework Agreement”), China Telecom Finance agreed to provide financial services, including deposit services, loan services and other financial services to the Group. As each of the applicable percentage ratios of the annual caps for the deposit services provided by China Telecom Finance to the Group under the China Telecom Financial Services Framework Agreement for each of the years ended 31 December 2019, 2020 and 2021 exceeds 5% but is less than 25%, such continuing connected transaction is subject to the reporting, announcement, annual review and independent shareholders’ approval requirements under Chapters 14A of the Listing Rules. The independent shareholders of the Company considered and approved the deposit services and the applicable annual caps under the China Telecom Financial Services Framework Agreement at the extraordinary general meeting of the Company held on 18 April 2019.

As the loan services provided by China Telecom Finance to the Group under the China Telecom Financial Services Framework Agreement are conducted on normal commercial terms or better and the relevant loan services will not be secured by the assets of the Group, such loan services are exempt from all reporting, announcement, annual review and independent shareholders' approval requirements pursuant to Rule 14A.90 of the Listing Rules.

As each of the applicable percentage ratios of the annual caps for the service fees of other financial services provided by China Telecom Finance to the Group under the China Telecom Financial Services Framework Agreement for each of the years ended 31 December 2019, 2020 and 2021 is less than 0.1%, such other financial services are exempt from all reporting, announcement, annual review and independent shareholders' approval requirements under Chapter 14A of the Listing Rules.

Pricing Policy:

(1) Deposit Services

The deposit interest rates offered by China Telecom Finance to the Group shall comply with the relevant requirements of the People's Bank of China and be with reference to the deposit benchmark interest rates promulgated by the People's Bank of China from time to time (if any) and the deposit interest rates of the same type of deposit services for the same period offered by the major cooperative commercial banks of the Group and are conducted on normal commercial terms or better. The deposit interest rates offered shall be equivalent to or higher than those offered by the major cooperative commercial banks of the Group. Under the same conditions, the interest rates and terms for the deposit services offered by China Telecom Finance to the Group shall be the same as those interest rates and terms of the same type of deposit services for the same period offered by China Telecom Finance to other member units.

(2) Loan Services

The loan interest rates offered by China Telecom Finance to the Group shall comply with the relevant requirements of the People's Bank of China and be with reference to the loan benchmark interest rates promulgated by the People's Bank of China from time to time (if any) and the loan interest rates of the same type of loan services for the same period offered by the major cooperative commercial banks of the Group and are conducted on normal commercial terms or better. The loan interest rates offered shall be equivalent to or lower than those offered by the major cooperative commercial banks of the Group. Under the same conditions, the interest rates and terms for the loan services offered by China Telecom Finance to the Group shall be the same as those interest rates and terms of the same type of loan services for the same period offered by China Telecom Finance to other member units. The above loan services provided by China Telecom Finance to the Group do not require the Group to pledge any security over its assets or make other arrangements for the loan services as guarantee.

(3) Other Financial Services

China Telecom Finance provides other financial services (other than deposit and loan services) including financial and financing advice, credit authentication, guarantees, acceptance of bills and discounted bills, internal fund transfer and settlement and designs of relevant settlement and clearance arrangement proposals to the Group under the China Telecom Financial Services Framework Agreement. The fees charged for other financial services provided by China Telecom Finance to the Group mentioned above shall comply with the fees standard promulgated by regulatory departments including the People's Bank of China or China Banking and Insurance Regulatory Commission (including its designated institution) ("CBIRC") (if applicable), and be with reference to the handling fees standard for the same type of other financial services charged by the major cooperative commercial banks of the Group and are conducted on normal commercial terms or better. The handling fees standard shall be equivalent to or lower

than those charged by the major cooperative commercial banks of the Group. Under the same conditions, the fees standard charged to the Group by China Telecom Finance shall be the same as those fees standard for the same type of other financial services charged by China Telecom Finance to other member units.

For the respective specific transactions under the China Telecom Financial Services Framework Agreement, under the same conditions, the Group should, in principle, choose the services provided by China Telecom Finance. If the Group considers it appropriate and beneficial to the Group, the Group has the discretion to engage one or more major cooperative commercial banks of the Group as its financial services providers.

The China Telecom Financial Services Framework Agreement became effective from 1 February 2019 and expired on 31 December 2021. Subject to the compliance of relevant laws and regulations and relevant regulatory requirements, both parties would negotiate and agree on the renewal arrangement.

China Telecommunications Corporation Financial Services Framework Agreement entered into between China Telecom Finance and China Telecommunications

Pursuant to the financial services framework agreement entered into between China Telecom Finance and China Telecommunications on 1 February 2019 (“China Telecommunications Corporation Financial Services Framework Agreement”), China Telecom Finance agreed to provide financial services, including deposit services, loan services and other financial services to the Parent Group. As the deposit services provided by China Telecom Finance to the Parent Group under the China Telecommunications Corporation Financial Services Framework Agreement are conducted on normal commercial terms or better and the relevant deposit services will not be secured by the assets of the Group, such deposit services are exempt from all reporting, announcement, annual review and independent shareholders’ approval requirements pursuant to Rule 14A.90 of the Listing Rules.

As each of the applicable percentage ratios of the annual caps for the loan services provided by China Telecom Finance to the Parent Group under the China Telecommunications Corporation Financial Services Framework Agreement for each of the years ended 31 December 2019, 2020 and 2021 exceeds 0.1% but is less than 5%, such loan services are only subject to the reporting, announcement and annual review requirements but are exempt from the independent shareholders’ approval requirement under Chapter 14A of the Listing Rules.

As each of the applicable percentage ratios of the annual caps for the service fees of other financial services provided by China Telecom Finance to the Parent Group under the China Telecommunications Corporation Financial Services Framework Agreement for each of the years ended 31 December 2019, 2020 and 2021 is less than 0.1%, such other financial services are exempt from all reporting, announcement, annual review and independent shareholders’ approval requirements under Chapter 14A of the Listing Rules.

Pricing Policy:

(1) Deposit Services

The deposit interest rates offered by China Telecom Finance to the Parent Group shall comply with the relevant requirements of the People’s Bank of China and be with reference to the deposit benchmark interest rates promulgated by the People’s Bank of China from time to time (if any) and the deposit interest rates of the same type of deposit services for the same period offered by the major cooperative commercial banks of the Parent Group and are conducted on normal commercial terms or better. The deposit interest rates offered shall be equivalent to or higher than those offered by the major cooperative commercial banks of the Parent Group. Under the same conditions, the interest rates and terms for the deposit services offered by China Telecom

Finance to the Parent Group shall be the same as those interest rates and terms of the same type of deposit services for the same period offered by China Telecom Finance to other member units.

(2) Loan Services

The loan interest rates offered by China Telecom Finance to the Parent Group shall comply with the relevant requirements of the People's Bank of China and be with reference to the loan benchmark interest rates promulgated by the People's Bank of China from time to time (if any) and the loan interest rates of the same type of loan services for the same period offered by the major cooperative commercial banks of the Parent Group and are conducted on normal commercial terms or better. The loan interest rates offered shall be equivalent to or lower than those offered by the major cooperative commercial banks of the Parent Group. Under the same conditions, the interest rates and terms for the loan services offered by China Telecom Finance to the Parent Group shall be the same as those interest rates and terms of the same type of loan services for the same period offered by China Telecom Finance to other member units.

The above loan services provided by China Telecom Finance to the Parent Group do not require the Parent Group to pledge any security over its assets or make other arrangements for the loan services as guarantee.

(3) Other Financial Services

China Telecom Finance provides other financial services (other than deposit and loan services) including financial and financing advice, credit authentication, guarantees, acceptance of bills and discounted bills, internal fund transfer and settlement and designs of relevant settlement and clearance arrangement proposals to the Parent Group under the China Telecommunications Corporation Financial Services Framework Agreement.

The fees charged for other financial services provided by China Telecom Finance to the Parent Group mentioned above shall comply with the fees standard promulgated by regulatory departments including the People's Bank of China or the CBIRC (if applicable), and be with reference to the handling fees standard for the same type of other financial services charged by the major cooperative commercial banks of the Parent Group and are conducted on normal commercial terms or better. The handling fees standard shall be equivalent to or lower than those charged by the major cooperative commercial banks of the Parent Group. Under the same conditions, the fees standard charged to the Parent Group by China Telecom Finance shall be the same as those fees standard for the same type of other financial services charged by China Telecom Finance to other member units.

For the respective specific transactions under the China Telecommunications Corporation Financial Services Framework Agreement, under the same conditions, the Parent Group should, in principle, choose the services provided by China Telecom Finance. If the Parent Group considers it appropriate and beneficial to the Parent Group, the Parent Group has the discretion to engage one or more major cooperative commercial banks of the Parent Group as its financial services providers.

The China Telecommunications Corporation Financial Services Framework Agreement became effective from 1 February 2019 and expired on 31 December 2021. Subject to the compliance of relevant laws and regulations and relevant regulatory requirements, both parties would negotiate and agree on the renewal arrangement.

CCS Financial Services Framework Agreement entered into between China Telecom Finance and CCS

Pursuant to the financial services framework agreement entered into between China Telecom Finance and CCS

on 1 February 2019 (“CCS Financial Services Framework Agreement”), China Telecom Finance agreed to provide financial services, including deposit services, loan services and other financial services to the CCS Group. As the deposit services provided by China Telecom Finance to the CCS Group under the CCS Financial Services Framework Agreement are conducted on normal commercial terms or better and the relevant deposit services will not be secured by the assets of the Group, such deposit services are exempt from all reporting, announcement, annual review and independent shareholders’ approval requirements pursuant to Rule 14A.90 of the Listing Rules.

As each of the applicable percentage ratios of the annual caps for loan services provided by China Telecom Finance to CCS Group under the CCS Financial Services Framework Agreement for each of the years ended 31 December 2019, 2020 and 2021 exceeds 0.1% but is less than 5%, such loan services are only subject to the reporting, announcement and annual review requirements but are exempt from the independent shareholders’ approval requirement under Chapter 14A of the Listing Rules.

As each of the applicable percentage ratios of the annual caps for the service fees of other financial services provided by China Telecom Finance to the CCS Group under the CCS Financial Services Framework Agreement for each of the years ended 31 December 2019, 2020 and 2021 is less than 0.1%, such other financial services are exempt from all reporting, announcement, annual review and independent shareholders’ approval requirements under Chapter 14A of the Listing Rules.

Pricing Policy:

(1) Deposit Services

The deposit interest rates offered by China Telecom Finance to the CCS Group shall comply with the relevant

requirements of the People’s Bank of China and be with reference to the deposit benchmark interest rates promulgated by the People’s Bank of China from time to time (if any) and the deposit interest rates of the same type of deposit services for the same period offered by the major cooperative commercial banks of the CCS Group and are conducted on normal commercial terms or better. The deposit interest rates offered shall be equivalent to or higher than those offered by the major cooperative commercial banks of the CCS Group. Under the same conditions, the interest rates and terms for the deposit services offered by China Telecom Finance to the CCS Group shall be the same as those interest rates and terms of the same type of deposit services for the same period offered by China Telecom Finance to other member units.

(2) Loan Services

The loan interest rates offered by China Telecom Finance to the CCS Group shall comply with the relevant requirements of the People’s Bank of China and be with reference to the loan benchmark interest rates promulgated by the People’s Bank of China from time to time (if any) and the loan interest rates of the same type of loan services for the same period offered by the major cooperative commercial banks of the CCS Group and are conducted on normal commercial terms or better. The loan interest rates offered shall be equivalent to or lower than those offered by the major cooperative commercial banks of the CCS Group. Under the same conditions, the interest rates and terms for the loan services offered by China Telecom Finance to the CCS Group shall be the same as those interest rates and terms of the same type of loan services for the same period offered by China Telecom Finance to other member units. The above loan services provided by China Telecom Finance to the CCS Group do not require the CCS Group to pledge any security over its assets or make other arrangements for the loan services as guarantee.

(3) Other Financial Services

China Telecom Finance provides other financial services (other than deposit and loan services) including financial and financing advice, credit authentication, guarantees, acceptance of bills and discounted bills, internal fund transfer and settlement and designs of relevant settlement and clearance arrangement proposals to the CCS Group under the CCS Financial Services Framework Agreement. The fees charged for other financial services provided by China Telecom Finance to the CCS Group mentioned above shall comply with the fees standard promulgated by regulatory departments including the People's Bank of China or the CBIRC (if applicable), and be with reference to the handling fees standard for the same type of other financial services charged by the major cooperative commercial banks of the CCS Group and are conducted on normal commercial terms or better. The handling fees standard shall be equivalent to or lower than those charged by the major cooperative commercial banks of the CCS Group. Under the same conditions, the fees standard charged to the CCS Group by China Telecom Finance shall be the same as those fees standard for the same type of other financial services charged by China Telecom Finance to other member units.

For the respective specific transactions under the CCS Financial Services Framework Agreement, provided that it is in compliance with the terms and conditions of the CCS Financial Services Framework Agreement, China Telecom Finance was appointed as one of the financial institutions providing financial services to the CCS Group. Prior to the signing of any specific agreement with China Telecom Finance in respect of respective transactions under the CCS Financial Services Framework Agreement, the CCS Group will compare the interest rates and terms or fees charged and other relevant transactions terms offered by China Telecom Finance with those interest rates and terms of the same type of deposit or loan

services for the same period or fees charged and other relevant transaction terms for the same type of financial services offered by the major cooperative commercial banks of the CCS Group. Only when the interest rates and terms or fees charged or other relevant transactions terms offered by China Telecom Finance are equivalent to or better than those interest rates and terms offered or fees charged or other relevant transactions terms (e.g. transaction approval terms, procedures or time limit, etc.) offered by the major cooperative commercial banks of the CCS Group, the CCS Group has the discretion to enter into the transactions with China Telecom Finance. Under the circumstances which the CCS Group considers appropriate, the CCS Group may engage additional or other financial institutions other than China Telecom Finance to provide financial services.

The CCS Financial Services Framework Agreement became effective from 1 February 2019 and expired on 31 December 2021. Subject to the compliance of relevant laws and regulations and relevant regulatory requirements, both parties would negotiate and agree on the renewal arrangement.

Payment and Digital Finance Related Services Framework Agreement

On 29 April 2021, the Company and E-surfing Pay have entered into the Payment and Digital Finance Related Services Framework Agreement for a term ended on 31 December 2021, pursuant to which E-surfing Pay and its subsidiaries provides payment and digital finance related services to the Group, including providing the Group's subscribers with the recharged payment services as well as the issuance and operation and settlement services for rechargeable payment cards such as 11888 card; internet payment services and mobile phone payment services; bank card payment and barcode payment services; issuance and handling services for prepaid cards; bill payment and other integrated payment enabled services; establishment and maintenance

services of the payment system of the Group's subscribers; other related payment and digital finance services within the scope of businesses permitted by or as filed with the relevant regulatory authorities; and the establishment, operation, expansion and maintenance services for fundamental capabilities and systems in fulfilment of the aforesaid services.

Pursuant to Chapter 14A of the Listing Rules, as China Telecommunications is the Company's controlling shareholder, holding approximately 64.53% of the issued share capital of E-surfing Pay as of the date on which the Payment and Digital Finance Related Services Framework Agreement was entered into, China Telecommunications and E-surfing Pay are connected persons of the Company and the transactions contemplated under the Payment and Digital Finance Related Services Framework Agreement constitute continuing connected transactions of the Company.

As each of the applicable percentage ratios (except for the profit ratio) of the annual cap for the year ended 31 December 2021 for the transactions contemplated under the Payment and Digital Finance Related Services Framework Agreement is expected to exceed 0.1% but is less than 5%, the continuing connected transactions of the payment and digital finance related services are only subject to the reporting, announcement and annual review requirements but are exempt from the independent shareholders' approval requirement under Chapter 14A of the Listing Rules.

The services fees under the Payment and Digital Finance Related Services Framework Agreement shall be calculated on the following basis:

(1) market price, which shall mean the prices to be determined on normal commercial terms and by the following mechanism: the same or similar type of products or services are

provided by independent third parties in the ordinary course of business and on normal commercial terms. When determining whether the transaction price for any transaction under the agreement represents market prices, to the extent practicable, management of the Company shall take into account the prices of at least two similar and comparable transactions entered into with or carried out by independent third parties in the ordinary course of business over the corresponding period for reference;

(2) where there is no or it is not possible to determine the market prices, the prices are to be agreed between the parties based on negotiated price. "Negotiated price" shall mean the reasonable costs incurred in providing the services plus the amount of the relevant taxes and reasonable profit margin. For this purpose, "reasonable profit margin" is to be fairly determined by negotiations between the parties in accordance with the internal policies of the Group. When determining the "reasonable profit margin" for any transaction under the agreement, to the extent practicable, management of the Company shall take into account the profit margin of at least two similar and comparable transactions entered into with independent third parties in the corresponding period or the relevant industry profit margin for reference;

(3) where there are government-prescribed prices, the prices and/or pricing standards shall be determined in accordance with the government-prescribed prices; where there are government-guided prices, the prices and/or pricing standards shall be determined with reference to the government-guided prices.

5. OTHER SIGNIFICANT EVENTS THAT HAVE A SIGNIFICANT IMPACT ON INVESTORS IN MAKING VALUE JUDGMENTS AND INVESTMENT DECISIONS

1. On 21 September 2021, the Company published the “Announcement on the Plan to Increase Shareholding by the Controlling Shareholder”, pursuant to which, China Telecommunications proposed to increase its shareholding in the Company by an amount of not less than RMB4 billion, as and when appropriate, during the twelve-month period from 22 September 2021. There is no price range for the increase in shareholding. In view of the fair judgement on the Company’s share price, China Telecommunications would gradually implement the plan on shareholding increase taking into account of the fluctuations in the Company’s share price and the overall trend of the capital market. The shareholding increase plan is a voluntary shareholding increase plan of China Telecommunications and is implemented separately from the plan for share price stabilisation within three years after the A Share listing of the Company. On 7 March 2022, the Company published the “Announcement on the Progress of Shareholding Increase by the Controlling Shareholder of China Telecom Corporation Limited”. From 22 September 2021 to 7 March 2022, China Telecommunications increased its shareholding in the Company by 466,948,944 A Shares in aggregate through the trading system of the SSE, representing 0.51% of the total issued shares of the Company.

The cumulative amount of the shareholding increase was RMB2,009,939,616.73, which has exceeded 50% of the lower limit of the amount of the shareholding increase plan. After the implementation of the above-mentioned shareholding increase, China Telecommunications holds 57,844,002,261 A Shares of the Company, representing 63.21% of the total issued shares of the Company.
2. On 27 January 2022, the Company published the “Announcement on Measures of the Share Price Stabilisation of China Telecom Corporation Limited”. According to the “Proposal regarding the Price Stabilisation Plan of A Shares within Three Years Following the Initial Public Offering and Listing of RMB ordinary shares (A Shares) of China Telecom Corporation Limited”, China Telecommunications, the controlling shareholder of the Company, intended to take measures to stabilise share price by increasing its A Shares holding of the Company. China Telecommunications proposed to increase its holding in A Shares of the Company by the amount of not less than RMB500 million, as and when appropriate, during the twelve-month period from 28 January 2022. There is no price range for the shareholding increase. The source of funding for the increase will be self-owned capital fund. In view of the fair judgement on the Company’s share price, China Telecommunications would gradually implement the plan on shareholding increase taking into account of the fluctuations in the Company’s share price and the overall trend of the capital market.
