China Telecom Being Accredited with International Awards Again

Hong Kong, 8 September 2015 - China Telecom Corporation Limited (“China Telecom” or “the Company”; HKEx: 00728; NYSE: CHA) was voted 6 years in a row by equity analysts at leading banks and financial institutions across the globe as “No.1 Best Managed Company in Asia” in Euromoney’s “Best Managed Companies Survey 2015” (“the Survey”). In addition, China Telecom was also named as “No.1 Best Managed Company in Telecommunications Sector in Asia”.

Organized by Euromoney, a leading international financial magazine, “Best Managed Companies Survey” is one of the most reputable polls in Asia. This is 16th year of the event and is highly recognized by capital market participants. In 2015, the Survey was based on the responses from 447 leading equity analysts at the leading investment banks and research institutes who were asked to nominate top companies which were the most impressive across a number of factors including market strength, profitability, growth potential, quality of management and earnings, business strategy and corporate governance amongst others.

These outstanding awards and achievement reveal once again that investment managers, analysts and capital market participants affirm China Telecom’s excellent execution capability and leading standard of corporate governance and transparency in Asia with outstanding management performance. China Telecom would like to thank all investors for their continuous support and trust.
