

## China Telecom's Annual Report Won Multiple Awards at the LACP Vision Award Annual Report Competition

**Hong Kong, April 02, 2025** — The results of the 2023/24 *Vision Awards Annual Report Competition*, organized by the globally renowned League of American Communications Professionals LLC (LACP), were announced. China Telecom Corporation Limited (“China Telecom” or “the Company”) was honored with **four Platinum Awards and other accolades** for its 2023 annual report, “*Transform*”, and ranked **No.3 among the Top 100 Reports Worldwide**.

*The Vision Awards Annual Report Competition* is highly regarded in the industry and holds a significant position in international annual report evaluations. This year's competition attracted nearly 1,000 companies worldwide, involving enterprises and organizations across various industries and sizes, making it the largest participation in recent years. China Telecom stood out in the intense competition with its unique design

and forward-thinking concepts, achieving full marks across multiple evaluation dimensions. This indicates that the Company's efforts in corporate governance and information disclosure have been fully recognized by the market.

Looking ahead, China Telecom will continue to adhere to its core values of "comprehensive innovation, pursuing truth and pragmatism, respecting people and creating value all together". The Company will strive to enhance corporate transparency, improve communication efficiency with investors and the market, and generate greater value for shareholders, customers, and society.
