

**[For Immediate Release]**

## **China Telecom Honored with Four Awards by *The Asset***

**Hong Kong, December 17, 2025 –** *The Asset*, a renowned financial magazine in Asia, has announced the results of The Asset Corporate Sustainability Leadership Awards 2025. Recognized for its outstanding philosophy, systematic governance, and exceptional sustainable achievements, China Telecom Corporation Limited (“China Telecom” or “the Company”) was honored with the Gold Award, and received accolades for “Best Investor Relations Team”, “Best Initiative in Environmental Responsibility”, and “Best Initiative in Technology Innovation” as well.

The Asset Corporate Sustainability Leadership Awards, updated from the original ESG Corporate Awards, has been held for 25 years and is now one of

Asia's longest-standing recognitions in corporate sustainability. Since its inception, the award has sought to honor listed companies that demonstrate excellence in environmental, social, and corporate governance, with the aim of advancing corporate progress toward sustainable development. Based on rigorous reviewing standards, it employs a range of metrics to assess companies' intention, disclosure and performance, complemented by feedback from investors.

China Telecom was honored with multiple awards in The Asset Corporate Sustainability Leadership Awards 2025, reflecting not only the Company's efforts in promoting its sustainability agenda, but also the strong recognition from investors of its enduring growth potential. Looking ahead, China Telecom will continue to uphold the philosophy of sustainable development and steadfastly pursue a high-quality development path that prioritizes ecological protection and green transformation, while proactively fulfilling social responsibilities. China Telecom pledges to continuously improve its corporate governance methodology, regulate its operations, and ensure that the Company's operations are in line with the long-term interests of the Company and its shareholders as a whole.
