

## China Telecom’s Annual Report 2024 Won Multiple International Awards

**Hong Kong, March 6, 2026** — China Telecom Corporation Limited’s (“China Telecom” or the “Company”) Annual Report 2024, themed “*Embrace AI, Embark on New Journey with Cloud*”, has garnered significant international acclaim. The online and printed versions of the report have collectively received more than 10 Platinum and Gold Awards, together with 3 Grand Awards, at prominent global annual report competitions including the *Galaxy Awards*, *iNOVA Awards*, and *Vision Awards*.

The overall design of China Telecom’s Annual Report 2024 is sleek and concise. The use of smooth lines and elements that align with the Company’s business effectively enhances its technological appeal while resonating with the report’s theme. Based on the printed version, the Company’s online annual report amplifies the use of color, light, shadow, and animation. Its forward-thinking concept and unique presentation style allowed it to stand out amidst fierce competition.

At this year's *Galaxy Awards*, China Telecom's Annual Report 2024 and its online version won multiple honors, including 3 Gold Awards and 2 Grand Awards. The *Galaxy Awards* recognize enterprises and institutions for outstanding performance in products and services marketing, with judging panels composed of international industry pioneers. The 2025 competition saw participation from over 440 companies worldwide.

At the *2025 iNOVA Awards*, China Telecom's Annual Report 2024 and its online version captured several honors across categories including Design, Graphic, Animation, and Telecommunications Services, securing 2 Gold Awards and 1 Grand Award. The *iNOVA Awards* are presented to various global enterprises and institutions, acknowledging their outstanding achievements in online communication, while striving to continuously elevate industry benchmarks.

The *Vision Awards*, organized by the League of American Communications Professionals (LACP), honor companies demonstrating excellence in global communications. This year's competition attracted nearly 1,000 entries from over a dozen countries. China Telecom's Annual Report 2024 and its online version received four Platinum Awards and the Technical Achievement Award, and ranked fourth among the Worldwide Top 100 Ranking.

These prestigious awards strongly affirm the industry's recognition of China Telecom's efforts to enhance information disclosure and corporate transparency. In the future, China Telecom will continue to strengthen market communication, diversify its communication channels, and consistently convey the Company's value to its investors.
